House Appropriations Request FY 2011

Project Name: Bed-As-Hub/Smart Rooms
Recipient: Rex Healthcare
Recipient Address: 4420 Lake Boone Trail

Recipient City: Raleigh
Recipient State: NC
Recipient Zip: 27607

Amount of Request: \$678,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

This pilot project has the potential to re-engineer how inpatient hospital care is provided in the future. Integrating the technology of bed monitoring that provides real-time accurate information with a current electronic medical record system will improve patient safety, drive caregiver efficiencies and provide data and insight for continuous quality improvement.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
